

Wholesale price list

Chinese tea from origin

218 teas in 8 classes, 682 supplier positions behind them. Every row links to our encyclopaedia entry for that tea.

Snapshot	2026-08-01
Currency	CNY per kilogram EXW China
Packing	Loose tea in 500 g bags · at least 500 g of any one tea. Pressed cakes and the supplier's own pack sizes are shown in the Packing column and ship as they come.
Shipment	Guangzhou or Foshan
Delivery	Quoted separately to any country
Payment	Any form that works on your side
Price band	from 39 to 16 232 CNY/kg · median entry grade 208

How to read a row

The figure is a price from — the entry grade of that tea. The range under it covers the whole line the supplier carries under that name; where the spread is wide, the grade is settled on samples, not from a table. Region is blank where the supplier does not state it — we do not invent one.
